# NIGHTLIFE

Welcome to **MW's NIGHTLIFE**, your guide to parties, bars and events. Each week **NIGHTLIFE** will have the most complete listing of where you can see and be seen in D.C.'s thriving club and bar scene. For information on how your bar or nightclub can include a listing in **MW's NIGHTLIFE**, send e-mail to [nightlife@metroweekly.net](mailto:nightlife@metroweekly.net), or call 202.638.6830.

## CONFIDENTIAL

**J.B.** needs a change of scenery. "It's time to head down to the beach," says the Salt Lake City native who's lived in D.C. for eight years. He's a "government bureaucrat by day" with a fondness for renovating houses, so who can blame him? Road trip, anyone? >>

# DRINK SPECIALS

For addresses, phone numbers and locations of individual clubs, bars, parties, and special events, please see the **NightLife** map on page 62.
